

# Elmer's Jelly Recipe

## Ingredients/Equipment

- 1 pack of Strawberry Jelly
- 1 Pack of Orange Jelly
- 1 Pack of Blackcurrant Jelly
- 1 Pack of Lime Jelly
- 1 Pack of Lemon Jelly
- 5 Ice Cube Trays

## Directions

- 1: Take the strawberry jelly pack and follow the directions to create the liquid jelly.
- 2: Get your ice cube tray and pour the jelly into each of the moulds.
- 3: Place the ice cube tray in the fridge to set.
- 4: Repeat steps 1-3 for the other jelly flavours.
- 5: Once they have set, take the trays from the fridge and pour warm water over the jelly mould to loosen the patchwork squares from the tray.
- 6: Place different coloured squares in the bowls equally and then your patchwork jelly is ready to eat.
